

About Us

We started out doing factory work for all the products we now sell. Then we opened JC Mobility Solutions LLC in October 2004. We felt a need for our services locally in order to help those with their mobility needs. We are a small company that sells quality products and service to our customers. We feel that service of your product is #1 with us. If you cannot get your mobility product serviced what good is it to you? We want to provide you with the personal quality service you deserve.

Most important to you, is we carry your needs and we only carry the product that has quality production. You as our customer are #1 with us! We service what we sell! To help keep you mobile with the least amount of down time to you! We keep to date with the newest products; we attend training on all our products we sell. Your satisfaction is our goal. We hope that you will become one of the family of satisfied customers we know have. We can deliver anywhere in the USA. We accept Visa, MasterCard, Discover, Maine Care, and Medicare. We are members of the Bridgton Chamber of Commerce and Member of the Maine Chamber of Commerce
